## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-9 are allowed. The following is an examiner's statement of reasons for allowance: The prior art of record fails to sufficiently describe or suggest a flashlight adapted for use with a plastic beverage bottle to form a light signaling torch wherein a coupling sleeve is comprised of a front, intermediate, and rear coupling section and a lens piece is mounted in the intermediate section of the coupling sleeve. These along with further limitations set forth by the claims appear to render the application allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
